Dear Classmates,

We would like to thank everyone for making our 20 year reunion such a huge success. The turnout was tremendous and the feedback we received confirms a good time was had by all!

Thank you for helping relive past memories and creating new ones in the process. We are looking forward to seeing you in 2000!

We would also like to thank Marion's Piazza for putting up with our meetings on Wednesday evenings.

Dear Fairmont West Class of 1979:

We enjoyed working with your committee and photographing all of you for your 20th reunion. We hope we captured many of the memories for you. More books are available for any classmates who may have missed the opportunity to receive one of these memory books.

If you were photographed at the reunion, we hope you were pleased. If you haven't already ordered portraits, it's not too late to do so. We keep all negatives on file for a minimum of two years. If we can be of assistance to you or your friends in doing other reunions or any other type of photography, please contact us.
