FOREWORD

The Mercer County Genealogical Society directs many of its efforts to preserving the cemetery inscriptions of Mercer County.

It is the goal of the Society to trace and to help others trace the descent of people. Cemeteries hold records of those who lived before. Not only names, but dates, relationships and historical events have been inscribed upon tombstones or monuments. Throughout the years many cemeteries have been abandoned, moved, poorly maintained or no longer exist.

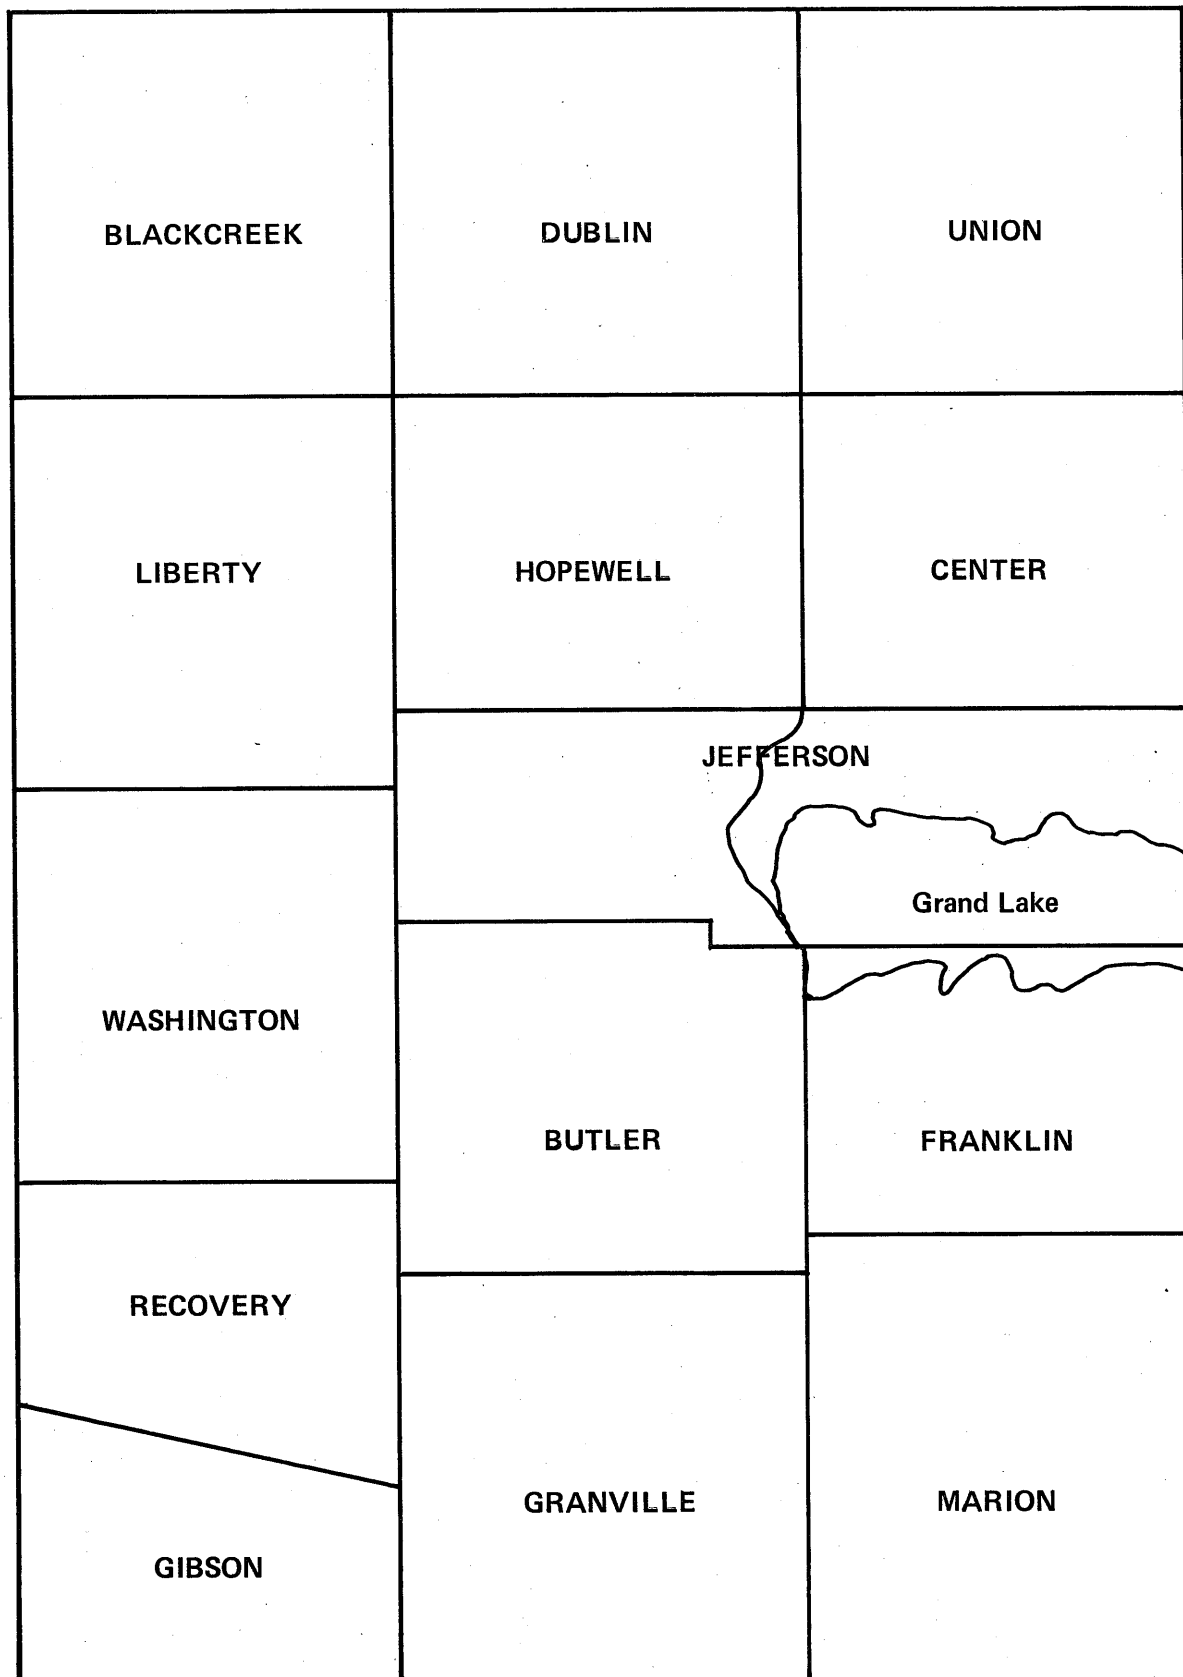

In this volume, the Society wishes to share with you the inscriptions of the Catholic, North Grove, Mead cemeteries, and Mercer Memory Gardens which were found to be available. We trust the information will be interesting and useful.

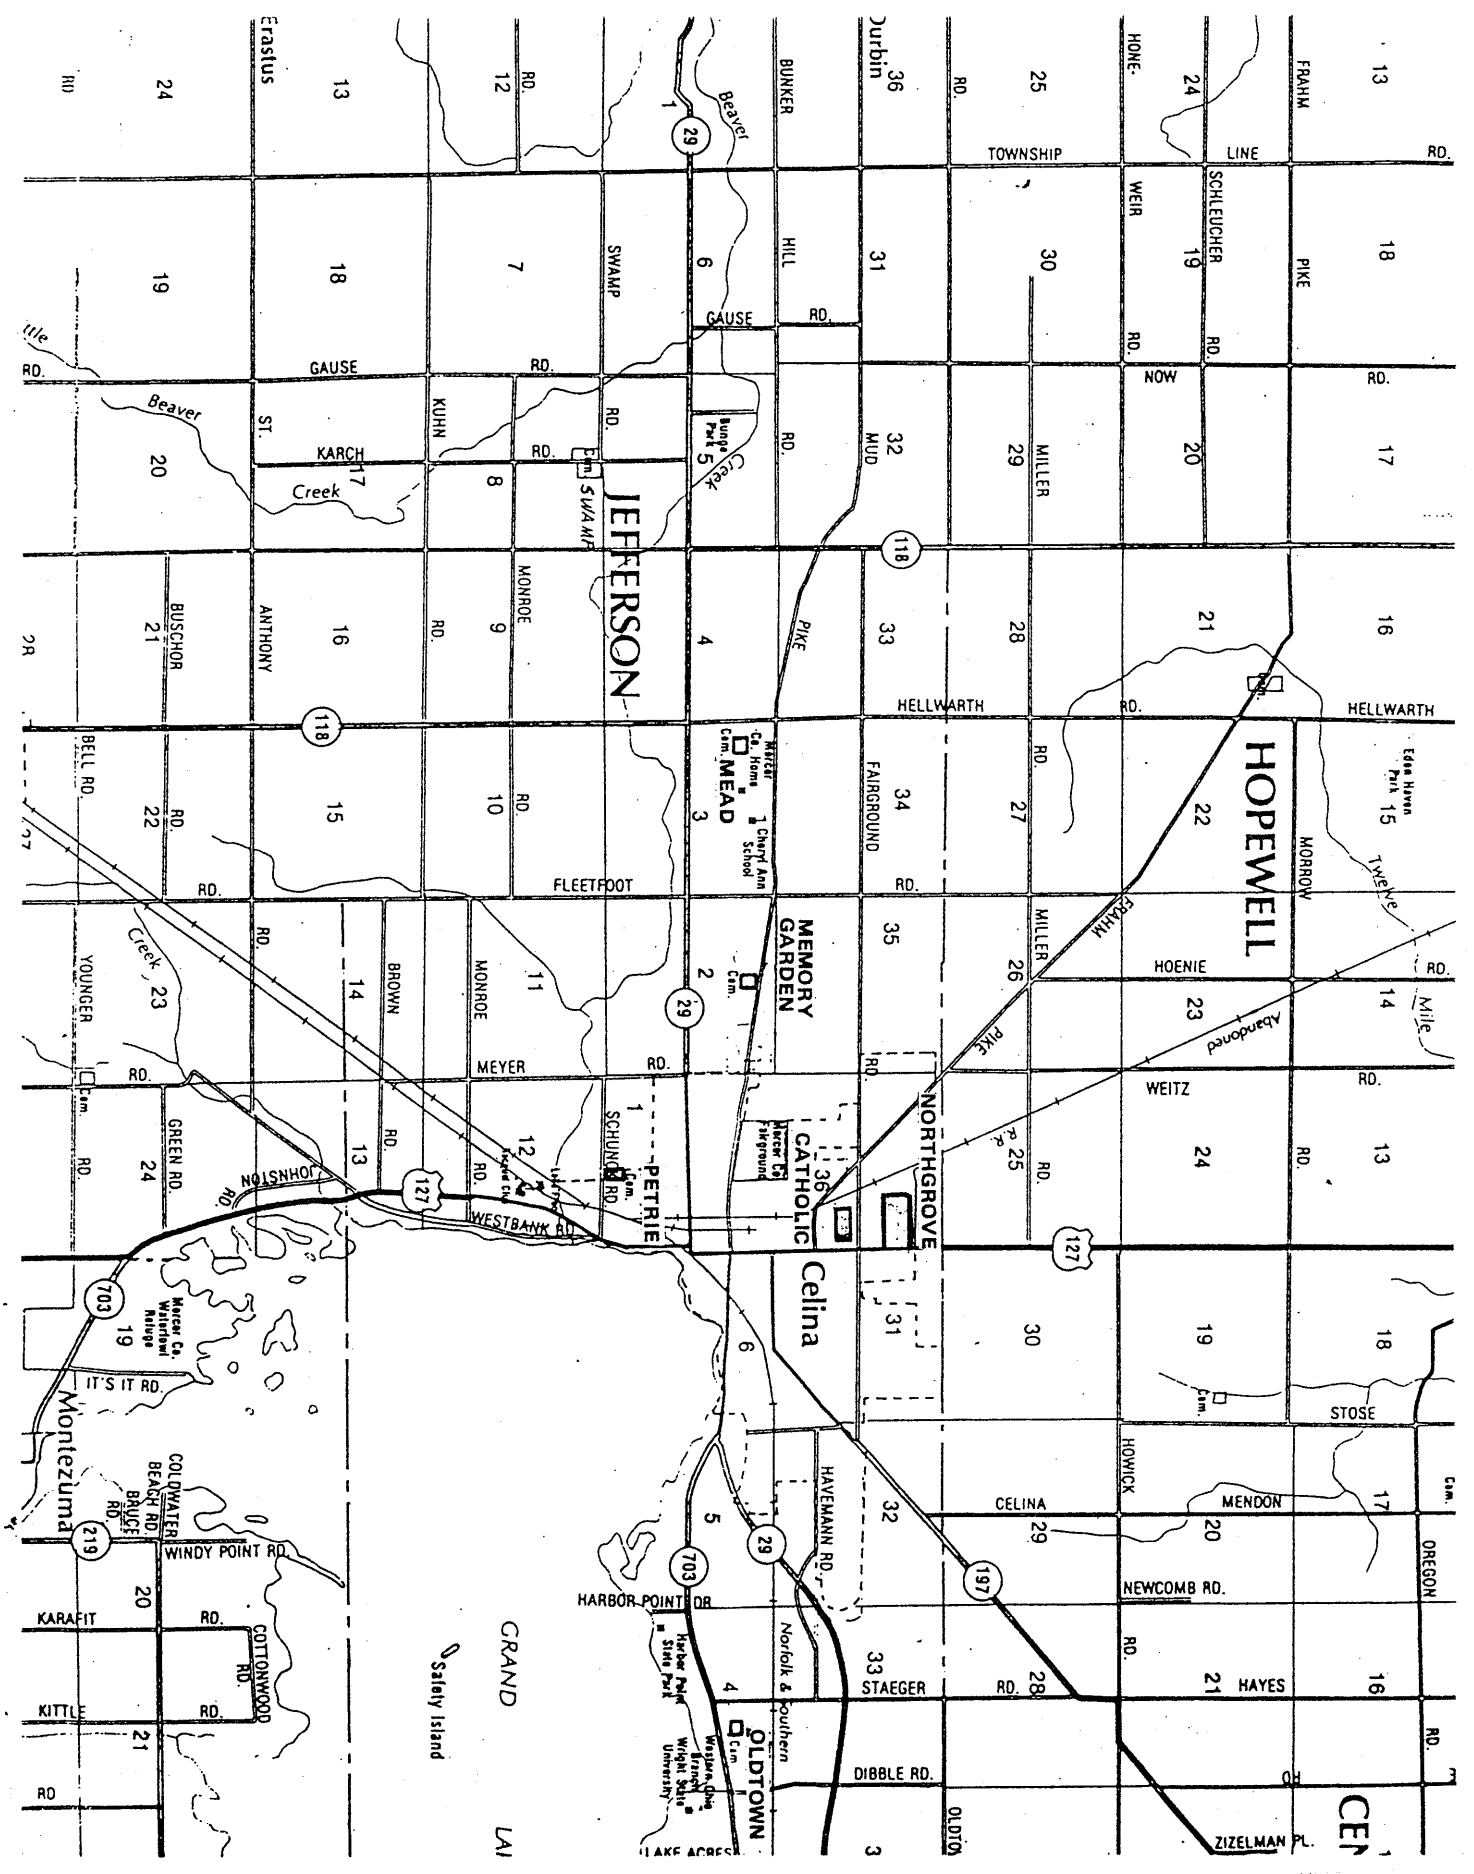

The Mercer County Chapter of the Ohio Genealogical Society is not responsible for any errors in this publication.

**CATHOLIC CEMETERY
(Immaculate Conception)**

Located on Summit Street at north edge of Celina, Ohio, west of State Route 127, approximately 4 blocks, in Section 36 of West Jefferson Township, Mercer County, Ohio.

Originally owned by Wilshire Riley. Acquired 2 acres at \$100.00 by the Archbishop John B. Purcell for a cemetery in 1866, with the first burial on March 9, 1866. Additional acreage purchased over the years making the present cemetery approximately 8 acres.

Our thanks to James Sacher who helped with his records by supplying some missing data. Inscriptions in the older sections have worn considerably and some questions remain on correct data.

NOTE: All sections start where stars (★) are marked, each row was read south to north.

NORTHGROVE CEMETERY

Located north edge of Celina, Ohio on U. S. Route 127N, Sec. 36, Jefferson Twp., Mercer Co., Ohio.

Original grant to James E. Ross. Cemetery property acquired by Celina Cemetery Association in 1880. Approximately 40 acres.

This cemetery is very well kept by the present caretaker, Richard Adams. He has been most helpful during the time our members were copying tombstone inscriptions.

ALL ROWS WERE READ IN THIS CEMETERY STARTING IN THE NORTHEAST CORNER OF EACH WARD – FIRST READING NORTH TO SOUTH, THEN ALTERNATING SOUTH TO NORTH, NORTH TO SOUTH, ETC.

MEAD CEMETERY

aka Baker or Jewett

Located on ½ acre in Sec. 3, Town 6S, Range 2E, West Jefferson Twp., Mercer Co., OH off S.R. 29W on a knoll back in the field west of the County Home property.

The land on which this cemetery is located was first purchased through the Piqua Land District in January, 1837 by Demas Adams of Columbus, OH. Local courthouse deeds show the land has changed hands numerous times. The first mention of a cemetery is in a deed of September 9, 1873 from Joseph Hein to Frank Puthoff where ½ acre of ground was stated to be used for burial purposes (Bk. 22, p. 76).

Unfortunately, this cemetery was bulldozed of trees, stumps, and grave stones in April, 1977 by the present owner. A number of articles appeared in the Daily Standard newspaper of Celina, OH in May, 1977 listing names of people believed to be buried there. No actual records have been found of burials.

The following list is from broken stones found at this cemetery, giving the inscriptions read to be:
