INTRODUCTION

A number of these township cemeteries are very old and many stones have disappeared over the years or have been broken so only part is readable.

No physical trace of HUFFMAN family cemetery can be found. Other family cemeteries have few remaining stones which have been included in this volume.

With the erosion of these old stones, it has been very difficult to establish correct data. Readings of these cemeteries were read and re-checked by members of our Chapter in 1989.

Our Chapter is not responsible for errors in this publication.

MAUSOLEUM (Chattanooga, OH)

Located in Sec 5, Liberty Twp. east of SR 49 on Tama Rd. next to Zion Lutheran Cemetery (see Zion Lutheran map). It is not a part of that cemetery or church. The Mausoleum was built by Henry Baker, Samuel and Ed Bollenbacher, and has its own association.

Some of the bodies have been removed and interred elsewhere. Our thanks to Harold Bollenbacher who unlocked the doors and help read the following who are believed to still be buried here as of July 1989.
