INTRODUCTION

The Mercer County Chapter of the Ohio Genealogical Society continues its efforts to preserve the inscriptions of the cemeteries in Mercer County.

In this volume, the Chapter shares with you the inscriptions of the cemeteries in Gibson and Recovery Townships. Some stones were very old and difficult to read, but we worked diligently to be as accurate as possible. No physical evidence of Clark, Money, Old St. Wendelin, and Scott-Anderson Cemeteries can be found.

Fortunately, we had access to earlier readings by people also interested in preserving this information, and we were able to use this material effectively and include it in this volume.

May this be a useful tool in your endeavor in locating those missing ancestors.

The Mercer County Chapter of the Ohio Genealogical Society is not responsible for any errors in this publication.
